

180 MURRAY AVENUE DEMOLITION

- Works Commencing 10 July 2023 -

Key Points

- The open space redevelopment is a continuation of the success achieved at the Taylor Riverfront Precinct
- The community will have the opportunity to provide input into the design options
- The demolition is complex and requires significant asbestos removal
- The successful contractor, Royal Park Salvage are experts in their field who have the experience and capability working with complex high risk materials and on constrained sites.

Part 1:
Demolition of
existing building

Part 2:
Open Space
Redevelopment

Site Access

- The footpaths on either side of the building will be closed during the demolition activity
- Two way road traffic is maintained with temporary restrictions on car parking directly in front of the building
